A Note from Kentucky Refugee Ministry

"Please share with the congregation our appreciation for the donation of food to the Mukarwema Family that recently arrived, early September, in Lexington through KRM. The total amount of groceries contributed, over \$600 was a tremendous savings for them! And...the time it took for folks to drive from Nicholasville to Lexington and back again was a large part of the gift of hospitality as well. The church's support of this family is most appreciated and very welcoming as they begin their journey toward self-sufficiency in their new homeland. The extraordinary generosity of the community is a powerful example of true hospitality and caring for those in need. At a time when the worldwide refugee crisis seems overwhelming, it is so important that we continue to make a difference by helping one refugee or one family at a time. We appreciate your continued support as we welcome the stranger."

With gratitude,

Dabney Parker, Co-Sponsor Developer, Kentucky Refugee Ministry
