Telos Project Formal Rollout at St. Athanasius

Our Opportunity: In August of 2017, St. Athanasius was chosen as one of 14 Pilot Parishes for the Telos Project. In January of 2018, our parish was awarded a \$1,000 non-competitive grant and on July 18 we were awarded a \$10,000 non-competitive grant to continue this work through August, 2019.

Our Responsibility: Our \$10,000 grant will allow us to:

- ❖invest in parish leadership development;
- ❖invest in parish-wide relationship building;
- ❖build relationships to understand and work with our emerging adults.

Please visit our tables setup in the parish hall during common meal today to see how **you can become directly involved** in planning and/or participating in future events to integrate and build relationships within our parish and the community.

Our dream is to inspire a new generation of clergy, lay leaders, philanthropists, and volunteers who will serve the Orthodox Church well into the 21st century.

Next Saturday, August 4 (weather-permitting), Fr. Justin will be leading a hike and outdoors Vespers service at the Pinnacles hiking trail in Berea. We will gather at the trail-head at 2:30pm and around 4pm, we will meet at East Pinnacle for a simple Vespers service. Folks can either picnic up on the heights or head back into Berea for dinner. (Directions and info can be found here: <https://www.thisisberea.com/pinnacles/>) Either a Deacon's Vespers or Reader's Vespers will be offered at St. Athanasius in Nicholasville at 6:30pm. Fr. Justin will hear Confessions on Sunday morning, beginning at 9:15am.

In honor of St. Elizabeth's Commemoration, our parish collected \$200 for HealthPoint Family Care in Nicholasville. These donations help HealthPoint provide free and discounted healthcare to those in need in our community. Thank You!
