"Being heard is so close to being loved that for the average person, they are almost indistinguishable." – David W. Augsburger, **Caring Enough to Hear and Be Heard**

On Saturday, February 2, we invite you to extend your festal celebration with us in a brief mini-retreat on "Communication for Connection." As we enjoy a light festal brunch, Joel Klepac (licensed counselor and member at St. Andrews Antiochian Church in Lexington) will be talking with us about *empathy – how to really hear what people are saying to you, in a way that shows them love!* More details next week!
